Are you passionate about making a real difference in the lives of vulnerable young people and their families? Do you have a strong background in both education and social care, or perhaps you're an experienced SENCO with a proven track record of working with students with complex social and emotional needs? If so, we would love to hear from you!

Ian Mikardo High School is seeking a dynamic and dedicated **'Specialist Assessor and Interventions Coordinator'** to join our multi-disciplinary team. This exciting role is ideal for candidates with blended knowledge in education and social care, or a SENCO with experience working with young people and families who face significant challenges as a consequence of their complex needs. The successful candidate will work within a supportive, progressive, and highly skilled team, including mental health practitioners, specialised teachers, psychotherapists, social workers, and speech and language therapists, providing wrap around care and education, serving vulnerable young people and their families.
